

STAYSAFE 360™

The Cleaning & Advanced Disinfection Operating System Designed for Hospitality Hygiene

STAYSAFE 360™ helps hotels eliminate odor and microbes at the source—creating cleaner, fresher, more guest-ready spaces from check-in to check-out.

Addresses daily odor challenges from pets, HVAC/air conditioning systems, and mildew to help reduce guest complaints. Supports higher guest satisfaction and stronger social/media review ratings.

A visible, above-and-beyond hygiene program you can proudly market and promote.

GUEST ROOMS

LOBBY AREAS

FITNESS CENTERS

SHARED SPACES

Target odor and hygiene issues in guest rooms, lobbies, corridors, and shared spaces.

MIRA

Autonomous Floor Care That Delivers Consistent Clean, Fresher Floors—All Day Long

MIRA for Repeatable Floor-Care Operations

WHY STAYSAFE 360™ FOR HOSPITALITY

Creates cleaner, fresher spaces and reduces daily odor issues from pets, HVAC systems, and mildew

Delivers consistent, repeatable hygiene across guest rooms, lobbies, corridors, and shared areas

Provides documented, trackable execution leadership your teams can trust

Supports staff confidence and helps improve guest satisfaction and social/media review ratings

A visible, marketable program you can publicize to show you go above and beyond for guest and staff well-being

1 OxyPharm Devices

Foggers & Advanced Disinfectants

NOCOSPRAY

- ✓ Eliminates odors from pets, smoke, food, and general use
- ✓ Penetrates fabrics, drapes, mattresses and upholstery
- ✓ Disinfects and deodorizes to help reduce guest complaints
- ✓ Ideal for guest rooms, bathrooms, lobbies, corridors, and shared spaces

2 Surface + Laundry Support

Electrostatic Sprayers + Surface Protectants + Laundry Performance

- ✓ PENETREXX® surface protectant helps eliminate and reduce odors
- ✓ LIQUIDO® electrostatic sprayer system delivers consistent, 360° wraparound surface coverage
- ✓ MPOWER® advanced laundry performance for towels, linens, uniforms, and soft goods to remove odors and keep them fresher

3 MIRA Autonomous Floor Care

MIRA for Repeatable Floor-Care Operations

- ✓ Repeatable autonomous cleaning routes
- ✓ Improves labor efficiency and consistency
- ✓ Enhances appearance in high-traffic hospitality spaces
- ✓ Documented, modernized floor-care execution

4 On-Demand Multi-Purpose Cleaner

Force of Nature Pro

- ✓ On-site multi-purpose cleaner generation
- ✓ Helps support cleaner, fresher facilities with simplified deployment
- ✓ Works with existing water and electrical systems
- ✓ Helps simplify replenishment and reduce plastic waste

SUSTAINABLE CLEANING SUPPORT
Helps reduce plastic waste and shipping emissions with on-site cleaner generation.

5 Clean Air Performance

RGF PHI Air Quality Program

- ✓ Active air purification for occupied hospitality environments
- ✓ Helps reduce odors from pets, HVAC systems, and mildew
- ✓ Helps improve air quality and fresher odor perception
- ✓ Designed to treat air and exposed surfaces throughout the property
- ✓ Supports guest comfort, staff confidence, and overall experience

RGF ENVIRONMENTAL

QUANTIFIED BENEFITS

ROOM-BY-ROOM DEPLOYMENT
Targeted odor & disinfection where it matters most

360° SURFACE APPLICATION
